### Congressional Candidates' Ratings on 2nd Amendment

Neither the Constitution nor the Supreme Court has stopped the never-ending attacks by those that would disarm our citizens and whittle away at the Constitution. It is imperative that we have political office holders who will preserve, protect and defend the entire Constitution, including the Second Amendment. Toward that end, SCOPE has rated the following candidates as an "A" and believe they will work to preserve, protect and defend our right to keep and bear arms, as enshrined in our Constitution.
